Top Glove Corporation Bhd is organizing its inaugural sustainability webinar titled “Emerging Trends Shaping Business Sustainability and Humanity” on March 6, 2024, aiming to delve into the evolving landscape of business sustainability and its societal impacts.

This virtual event will bring together leaders from various sectors to discuss current and future trends in business strategies, social well-being, and governance structures, fostering insightful conversations on pressing sustainability issues.

Top Glove – Sustainability Webinar

In collaboration with the Association of Development Financial Institutions of Malaysia (ADFIM) and esteemed partners like the United Nations Global Compact Network Malaysia & Brunei (UNGCMYB) the webinar will feature keynote addresses and panel discussions led by experts.

Top Glove’s Founder and Executive Chairman, Tan Sri Dr. Lim Wee Chai, will kick off the event, followed by discussions moderated by Top Glove’s board members. The webinar reflects Top Glove’s commitment to sustainable practices, evidenced by its inclusion in sustainability indices and ratings, showcasing its dedication to fostering a

more sustainable future.
