

TOP GLOVE INCLUDED IN S&P GLOBAL SUSTAINABILITY YEARBOOK 2024 FOR THIRD YEAR RUNNING

14 February 2024 / 12:02

Top Glove Corporation Bhd, or “Top Glove”, is pleased to announce its inclusion in the esteemed S&P Global Sustainability Yearbook 2024 for the third year in a row, underscoring its unwavering commitment to sustainable practices and responsible corporate citizenship.

This honour is accorded exclusively to companies within the top 15% of their respective industries, based on the number of achievements and a minimum Corporate Sustainability Assessment (CSA) Score of above 30. Additionally, qualifying companies rank amongst the top 30% of their industry's top-performing companies.

Top Glove's commitment to sustainability is deeply ingrained in its corporate culture.

Through ongoing innovative initiatives, responsible operations, and meaningful partnerships, the company continues to drive positive impact in environmental preservation, social equity and robust corporate governance.

“We are deeply honoured to be recognised once again in S&P Global’s Sustainability Yearbook,” said Mr. Lim Cheong Guan, Managing Director of Top Glove.

“This achievement is a testament to the collective efforts of our employees, stakeholders, and partners who share our commitment to sustainability.

“As we celebrate this meaningful milestone, we remain steadfast in our dedication to lead by example in driving positive change and creating a more sustainable future for generations to come.”
