

TOP GLOVE RECOGNIZED FOR SUSTAINABILITY LEADERSHIP IN S&P GLOBAL YEARBOOK 2024

14 February 2024 / 12:02

Top Glove Corporation Bhd has been included in the S&P Global Sustainability Yearbook 2024 for the third consecutive year, reflecting its strong commitment to sustainability.

The company's high scores in the Corporate Sustainability Assessment (CSA) and its position among the top-performing companies in the Health Care Equipment Supplies industry globally contribute to this recognition.

Sustainability Leadership

Mr. Lim Cheong Guan, Managing Director of Top Glove: "This achievement is a testament to the collective efforts of our employees, stakeholders, and partners who share our commitment to sustainability. As we celebrate this meaningful milestone, we remain steadfast in our dedication to lead by example in driving positive change and creating a more sustainable future for generations to come."

The Sustainability Yearbook, published by S&P Global, showcases leading companies excelling in environmental, social, and governance (ESG) performance.

Top Glove's commitment to sustainability is evident through its innovative initiatives, responsible operations, and meaningful partnerships, driving positive impact in environmental preservation, social equity, and corporate governance.
