KUALA LUMPUR: Top Glove Corp Bhd has appointed Lester Garson Huang and Anthony Lo as its new independent non-executive directors (INED).

“Top Glove welcomes the addition of Huang and Lo, who bring with them vast experience as INEDs on companies listed on the Hong Kong Stock Exchange, which has high standards of corporate governance,” Top Glove said in a statement.

“Given their backgrounds, the company believes they will bring unique perspectives and valuable expertise to the Board, further strengthening the group’s corporate governance.

“The company looks forward to their positive contributions as it works towards its goal of becoming a Forbes and Fortune Global 500 Company by the year 2030,” it added.

Top Glove said to foster objective and independent deliberation, review and decision making of the board, it has limited the tenure of INEDs to nine years without further extension, in line with the Malaysian Corporate Governance Code.
