For the financial year ended 31 August 2009 (“FY09”), the Group sales revenue increased by 11% to RM1.53 billion from RM1.38 billion for the financial year ended 31 August 2008 (“FY08”). Profit before tax for FY09 surged to RM221.5 million, an increase of 65% from RM134.6 million registered in the same period last year. The continuing strong profit growth for FY09 shows that Top Glove is efficient and had adapted well to the challenging business environment and resulting from cost saving measures implemented at all factories, improvements in product quality, productivity, as well as aggressive marketing strategies to sustain its market leader position.

The Group also continues to strengthen its balance sheet and working capital position, currently in net cash position of RM176.7 million, with RM197.2 million cash in bank as at 31 August 2009 and free cash flow of RM260.0 million for the period ended 31 August 2009. In view of the good performance and stronger cash flow position, the Board has recommended a special dividend of 6 sen a share, in addition to the final dividend of 9 sen per share. Total dividend for FY09, including 1st interim dividend of 7 sen, will therefore be 22 sen per share, up 100% from FY08 of 11 sen per share.

The financial results of the Group since financial year 2001 (year of listing) are as follows:
