TOP GLOVE INCLUDED IN S&P GLOBAL SUSTAINABILITY YEARBOOK 2024 FOR THIRD YEAR RUNNING

Glovemaker's scores amongst the highest in the Health Care Equipment Supplies industry globally

Shah Alam, Wednesday, 14 February 2024 Top Glove Corporation Bhd, or “Top Glove”, is pleased to announce its inclusion in the esteemed S&P Global Sustainability Yearbook 2024 for the third year in a row, underscoring its unwavering commitment to sustainable practices and responsible corporate citizenship.

This honour is accorded exclusively to companies within the top 15% of their respective industries, based on the number of achievements and a minimum Corporate Sustainability Assessment (CSA) Score of above 30. Additionally, qualifying companies rank amongst the top 30% of their industry’s top-performing companies.

Top Glove’s score was also among the highest out of the 13 companies within the Health Care Equipment Supplies industry category globally in the CSA, as at the score date of 7 February 2024.

The Sustainability Yearbook is a well-regarded publication by S&P Global, showcasing leading companies worldwide that excel in their environmental, social, and governance (ESG) performance. Out of over 9,400 companies extensively evaluated in its 2023 Corporate Sustainability Assessment (CSA), only an elite 759 were selected for inclusion in the prestigious Yearbook, making Top Glove’s achievement truly commendable.

Top Glove's commitment to sustainability is deeply ingrained in its corporate culture. Through ongoing innovative initiatives, responsible operations, and meaningful partnerships, the company continues to drive positive impact in environmental preservation, social equity and robust corporate governance.

"We are deeply honoured to be recognised once again in S&P Global's Sustainability Yearbook," said Mr. Lim Cheong Guan, Managing Director of Top Glove. "This achievement is a testament to the collective efforts of our employees, stakeholders, and partners who share our commitment to sustainability. As we celebrate this meaningful milestone, we remain steadfast in our dedication to lead by example in driving positive change and creating a more sustainable future for generations to come."

Inclusion in the Sustainability Yearbook reaffirms Top Glove's position as a frontrunner in sustainable business practices, while spotlighting its commitment to advancing sustainability initiatives and catalysing positive change.
