PRESS RELEASE

For Immediate Release

TOP GLOVE TO HOST INAUGURAL SUSTAINABILITY WEBINAR

Virtual event to feature discussions on emerging trends shaping business sustainability and humanity

Shah Alam, Monday, 19 February 2024 Top Glove Corporation Bhd is set to launch its first-ever one-day sustainability webinar, "Emerging Trends Shaping Business Sustainability and Humanity," on 6 March 2024. The virtual event aims to provide a platform for in-depth exploration of the evolving landscape of business sustainability and its societal implications. The webinar will bring together leaders from the public and private sectors to share insights on current and future emerging trends in business strategies, social well-being, and governance structures that impact sustainability and humanity, fostering insightful conversations around pressing sustainability issues. It is expected to attract a wide audience interested in the intersection of these areas in shaping a more sustainable future.

In partnership with the **Association of Development Financial Institutions of Malaysia** (ADFIM) and esteemed supporting partners such as the **United Nations Global Compact Network Malaysia & Brunei** (UNGCMYB), the **Center to Combat Corruption and Cronyism** (C4), **EXIM Bank Malaysia**, and the **Institute of Corporate Directors Malaysia** (ICDM), the webinar will feature dynamic discussions and presentations led by experts from diverse sectors, including business, government, civil society, and rating agencies.

The webinar will commence with an opening remark from the **Founder and Executive Chairman of Top Glove, Tan Sri Dr. Lim Wee Chai**, followed by four keynote addresses and panel discussions. The moderators for these panel discussions will include Top Glove's board of directors.

The webinar is part of Top Glove's commitment to advancing sustainable business practices. The Company has made significant strides in this area, as evidenced by its inclusion in the Dow Jones Sustainability Indices for the fifth consecutive year.

, the S&P Global Sustainability Yearbook 2024 for the third year running while maintaining a FTSE4Good 4-Star rating in 2023 as assessed by FTSE Russell. Top Glove's efforts reflect its dedication to building a better future for all and its aspiration to transition its business operations toward best sustainability practices.

The overview of the webinar is as follows:

A. Keynote Addresses:

1. Global Trends Shaping Sustainable Policies and Priorities for Governments
2. Role of Boards in Changing Global Business Dynamics
3. The Role of Governance and Strong Boards for Business Sustainability in Public and Private Sectors
4. Building Good Governance: New Forms of Challenges for Corporate & Public Sector Governance

B. Panel Discussions:

1. Sustainability Impacts on Business and Humanity
2. New and Emerging Threats to Governance and Boards
3. Impact of Business and Human Rights on Brand and Reputation
4. Key Policy Considerations in The New World Order
